

AZMIR GROUP

CONTRACTING . TENDERING . GENERAL SERVICES

WELCOME TO OUR COMPANY

Azmir group for contracting and tendering was established based on a mix of educational, technical, commercial, financial, and practical experience in trading. The company is specialized in local and international tenders and contracts, and also we are ready to provide and supply products, materials and different supplies related to energy, renewable power, chemicals, and petruchemicals. engineering project. We execute different types of engineering and construction projects. The name “Azmir” was inspired by azmir mountain in Sulaimaniya as a proof of the Iraqi identity of the company and its founders.

AZMIR

VISION & MISSION

AZMIR

VISION

Our vision is to have an effective contribution in the local projects that have an actual positive effect on the Iraqi economy and to encourage the efforts made by the executive parties.

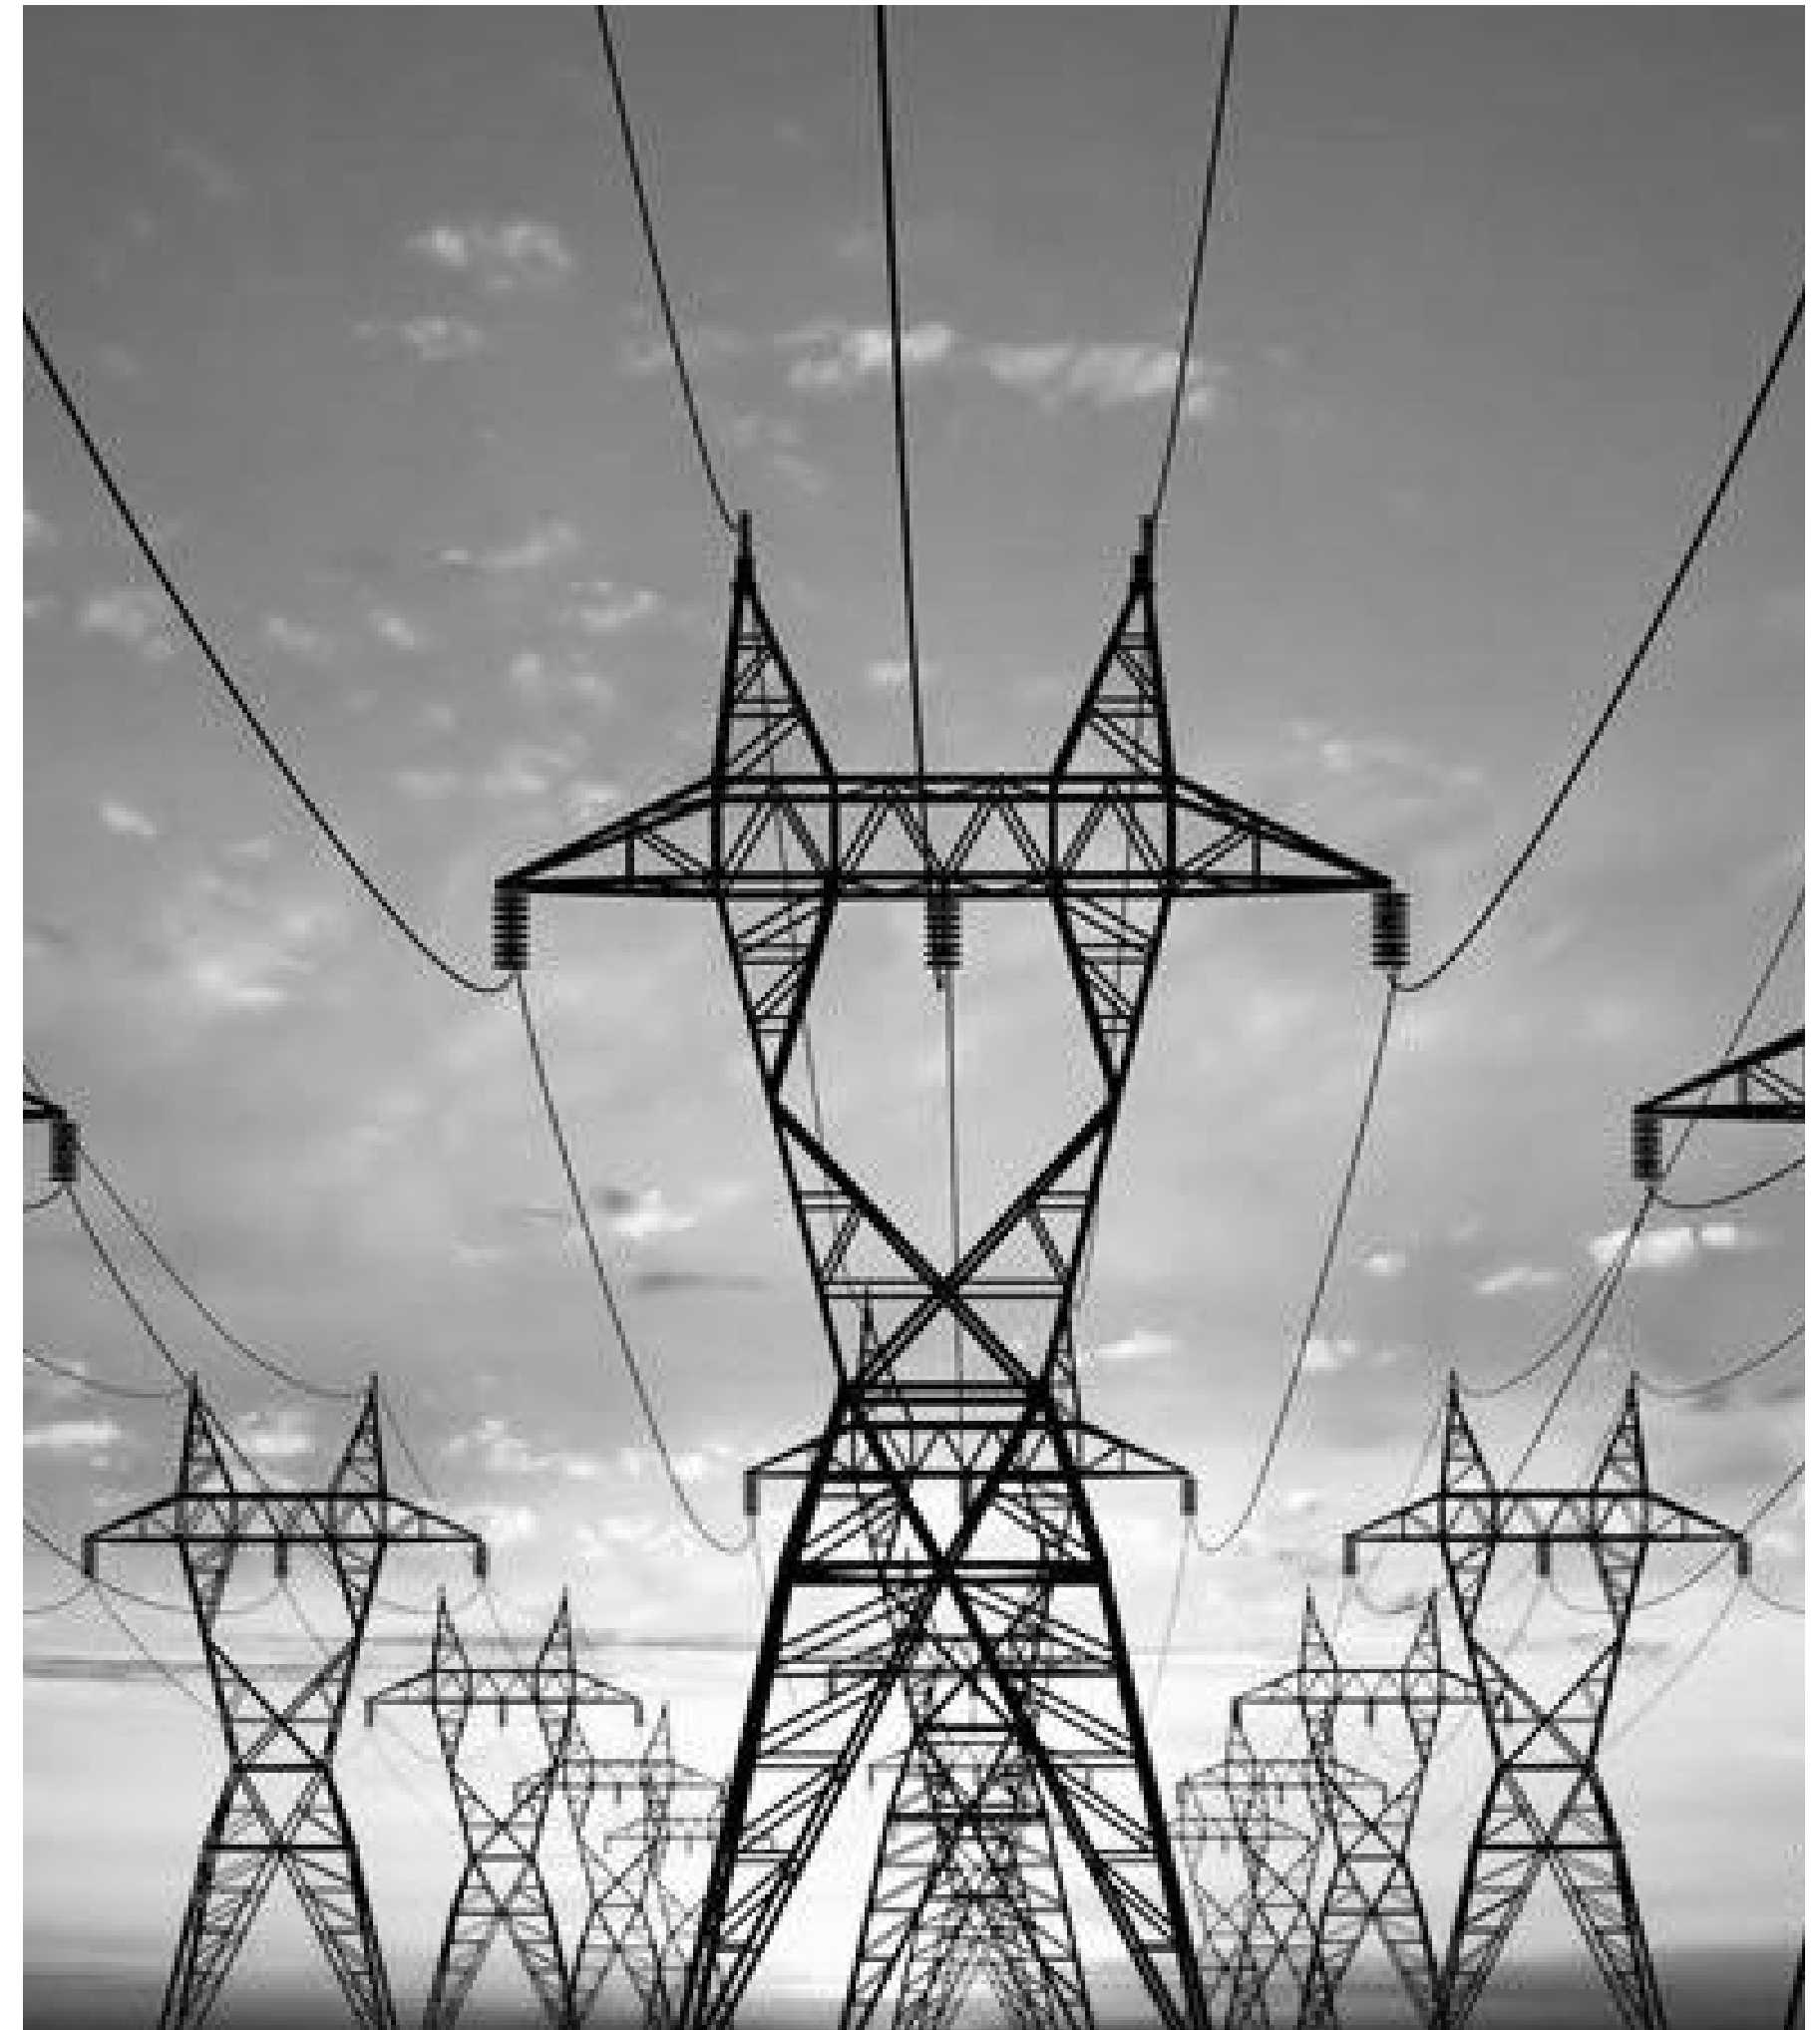

MISSION

Our mission is to provide the best supplies, materials and equipment for each project we are part of, because our success partners' satisfaction is our priority and our values are the reason they trust us.

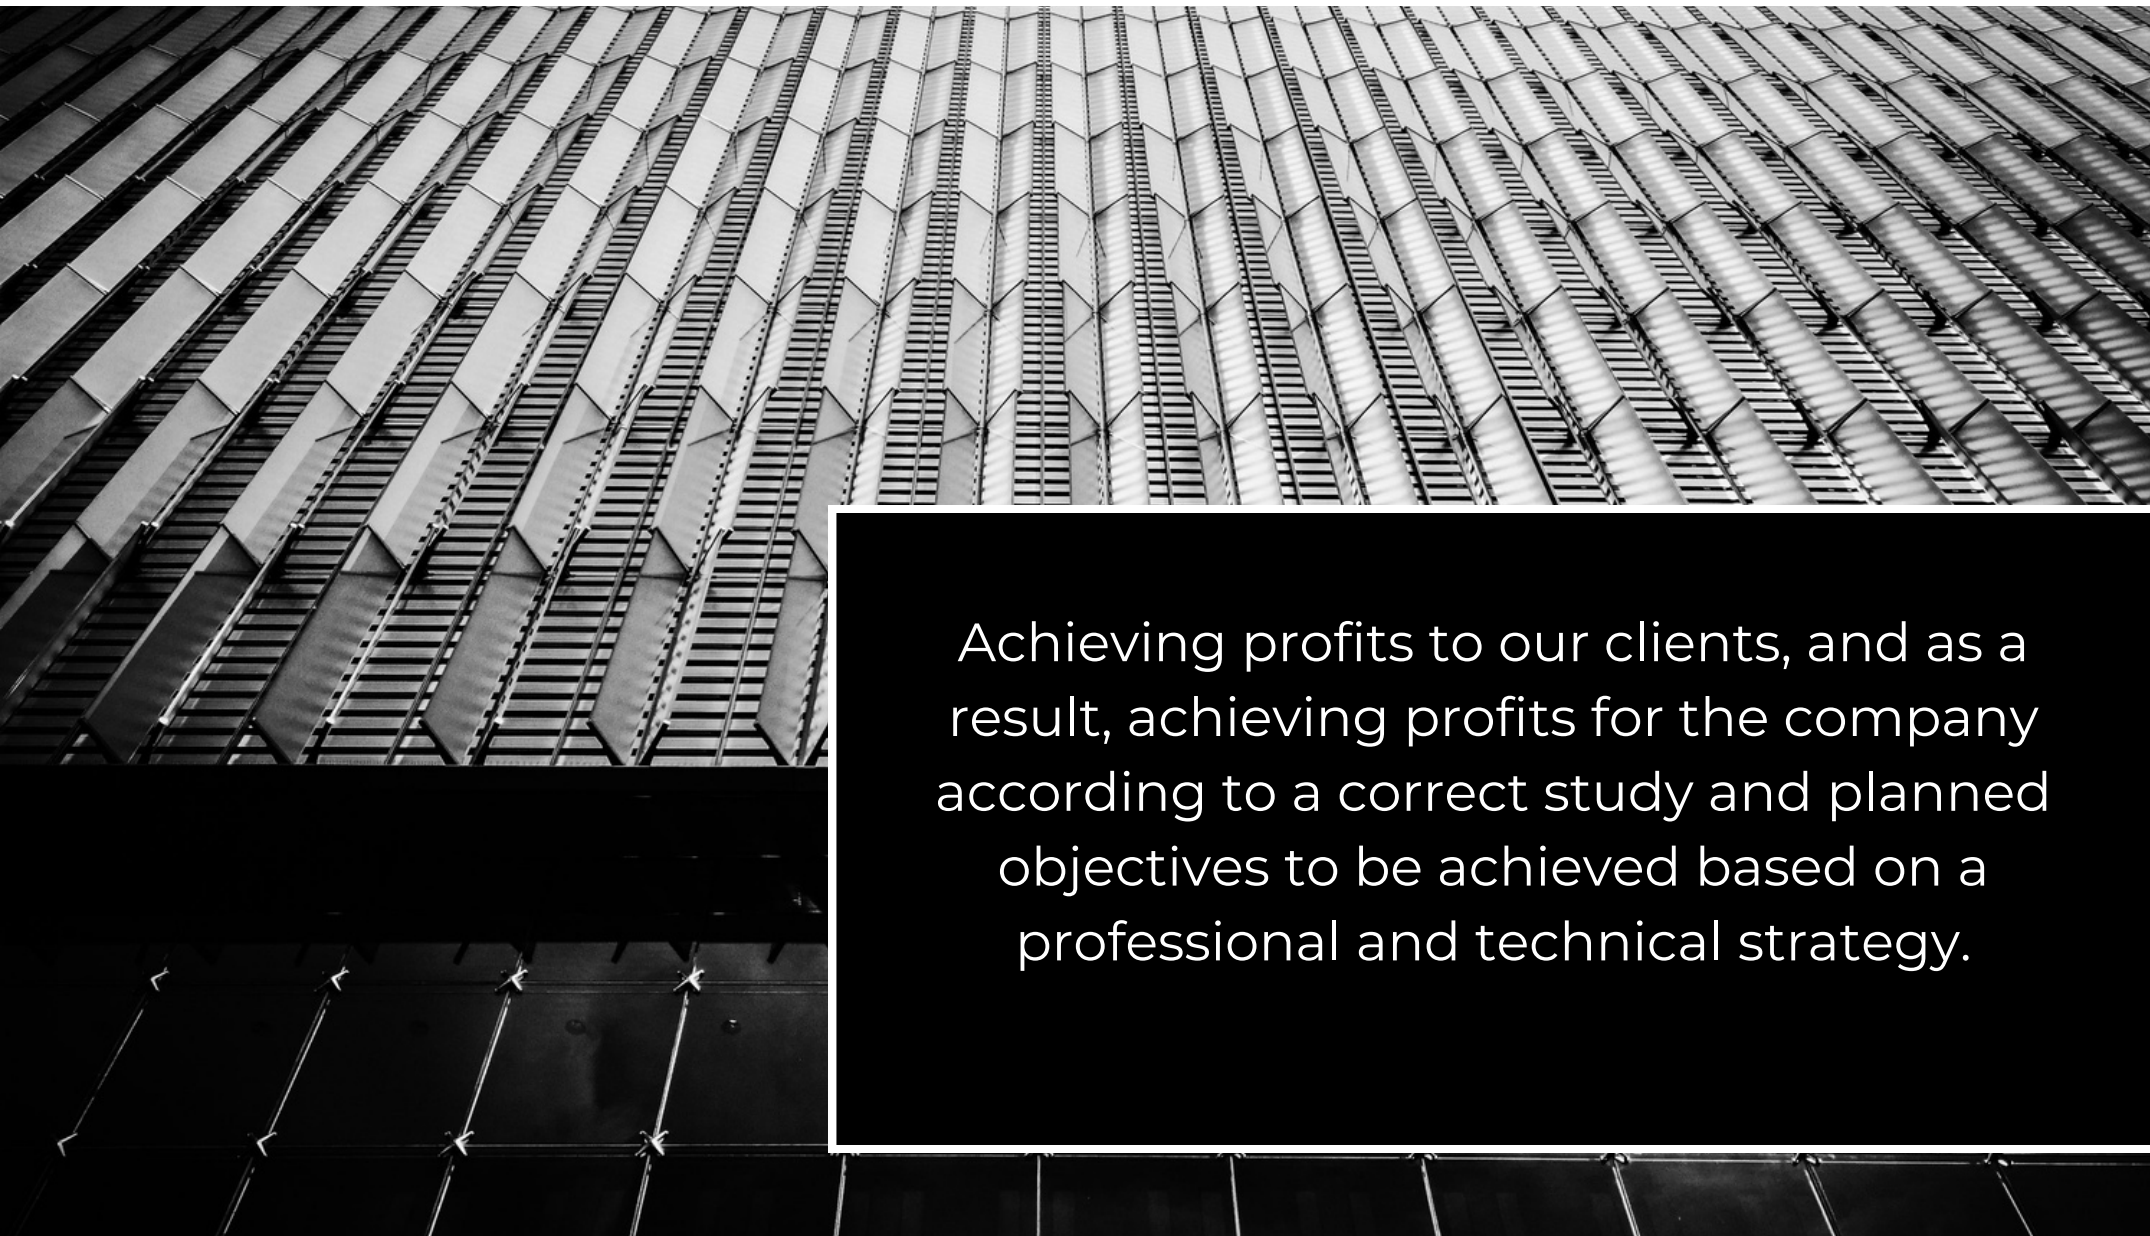

WHAT WE DO

We commit ourselves to your project from A to Z, or based on your needs. We plan, coordinate, manage, and supply the required equipment and materials to execute your project. We also provide certified feasibility studies for any potential project.

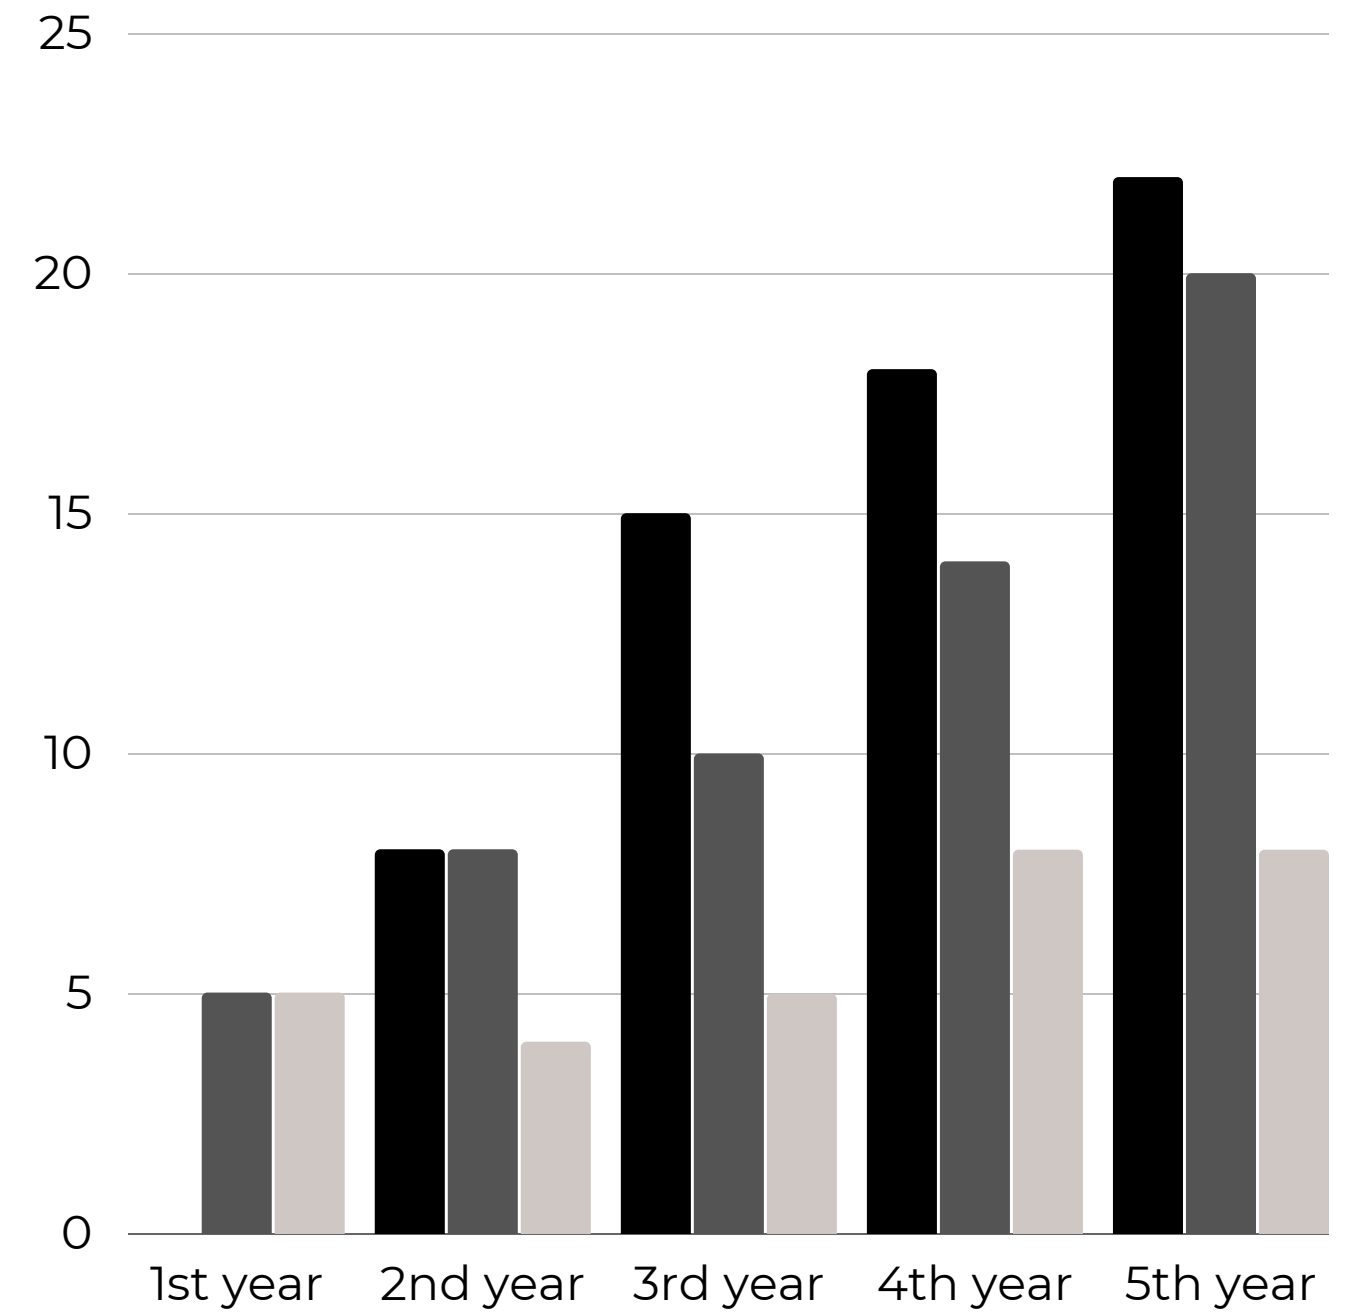

AZMIR

FUTURE GOALS

AZMIR
